ABRASION

(cycles till breakthrough)

13,000+

SOFTOUCH™ is the perfect fabric for those looking for protection while also worried about damaging the painted, gel coated or other delicate surface on the underside. While regular fabrics can scratch these, SOFTOUCH™ will not, due to its soft backing. Utilizing our fabric that is laminated to a special non-woven backer, SOFTOUCH™ provides the ultimate non abrasive surface to cover and protect your possessions. Performance and Luxury, SOFTOUCH™.
