CARE: TOP NOTCH 9™ fabric is finished to resist the growth of mildew. However, it should not be folded and stored while wet. Accumulations of dirt and animal droppings which can support growth of mildew and result in fabric staining, should be removed periodically by recommended cleaning methods.

The solution dyed yarn in TOP NOTCH 9™ fabric will not migrate onto upholstery vinyls. If some surface rub-off should occur it can easily be removed with vinyl cleaner or mineral spirits. In areas where vigorous movement of the fabric against a hard surface will occur during use, use of a buffer strip is recommended.

CLEANING: TOP NOTCH 9™ fabric may be cleaned with a cleaning solution of 4 ounces of bleach and 2 ounces of mild soap mixed in one gallon of warm (100° F) water. Do NOT use detergents. Use a soft, bristled brush to lift soil embedded in the fabric surface. Rinse thoroughly with clear water to remove soil and soap residue. After thorough cleaning and drying, water repellency may be reduced. The water repellency can be improved by an application of **AQUA-TITE® GREEN** water repellent.

WARRANTY: TOP NOTCH 9™ solution dyed polyester fabric, when used properly, is guaranteed for a period of five (5) years from date of original installation against excessive loss of color or strength from normal exposure conditions, including sunlight, rot, or normal atmospheric chemicals which might render it unserviceable.

In the unlikely event of fabric failure during the five year period, the manufacture will at its option, supply the original purchaser of the fabric either replacement fabric or credit of the original fabric value. This warranty does not cover labor, installation, or fabrication costs.

This warranty protects you against damage to covers used under normal conditions. It does not cover damage from Acts of God, vandalism, neglect or use or care not in accordance with the manufacture's use and care instructions.

This warranty is in lieu of all warranties expressed or implied and the manufacture will not be liable for any consequential or incidental damage. Any implied warranties imposed by law are limited in time to the duration of the expressed warranty.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state-to-state.
